

Other Church Uses

1. What about small group meetings?

- The church building will reopen on September 7th.
- We require all participants in small group meetings over the age of 12 to be vaccinated; we expect you to be honest about your vaccination status.
- The guidance is that if any one person is masked at the meeting, all participants should wear a mask. If all present are agreeable to un-masking, that is permissible.

2. Will the Good-As-New-Shop (GANS) reopen?

- The church will allow GANS to open after ECDC has opened for the year.
- If Sunday service is cancelled due to a town being 'red' (see Q.1), then GANS will be closed the following Wednesday.
- All staff and visitors will be required to wear masks; the church will provide a supply of disposable masks for them to hand out to those who don't have one. Food will not be served.

Please note that these protocols will be updated as public health information changes.
