

Religious Education and Childcare

1. Will there be Religious Education (RE)?

- Yes! Starting September 19th, RE will begin for children in Preschool through Grade 6. Our Whole Lives (OWL) and Coming of Age (CoA) will start in October. Senior Youth Group (SYG) will start on September 19th.
- RE for Pre-K–6 will be outside at least through October. It will look quite different this fall. Some of the biggest changes you may notice include less focus on curriculum and more focus on play, connection, engagement, and community-building.
- Kids will not be required to mask outdoors. All kids wishing to participate should dress for the weather when they come to church. We may do selected activities indoors and fully masked if there is inclement weather.
- RE teachers and CoA mentors will be required to be vaccinated. Because of their small-group status, OWL, CoA, and SYG participants will also be required to be vaccinated. OWL, COA, and SYG participants and leaders will be masked when not eating.
- Updated information regarding RE for after October will be shared as the time nears.

2. Will there be childcare?

- While young children and children of all ages are always warmly welcome in the sanctuary, our nursery will not be open.

The church will provide childcare reimbursement to families with children under 3 who wish to arrange in-home childcare so they can come to worship. Contact Rev. Heather (revheather@uuac.org) for more information about childcare vouchers
